

ZEN GARDEN CHANDELIER

This minimal, arts and crafts design illuminates outdoors where weather exposure becomes an issue. Brass will patina over time if unprotected but will resist corrosion. Subtle contemporary Asian style accents any backyard room for sophisticated exterior designers. Pull chain switch allows easy on/off at the light source, even when tied to a larger 12V design layout. Suitable for wet locations. Matching path light available on page 84.

15409 OZ - Olde Bronze®

Brass. Textured amber seedy linen glass.

12V T5 wedge base socket 

16.25-W(VA) 921X (17025) (4 required and supplied) Xenon light source
